

REMARKS

The foregoing amendments to the claims are intended to replace the previously filed claims in the Preliminary Amendment filed May 8, 2007. The claims are intended to replace the European style claim language with language better suited to U.S. practice and to delete any multiple dependencies. The new claims have basis at least in the original claims and in the specification. Thus, new Claims 19-36 have basis in the specification and in the original Claims 1-18.

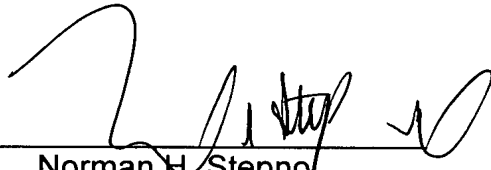

It is clear from the foregoing that none of the amendments introduces new matter into the application.

Entry of this amendment prior to calculation of the claims fees and prior to examination on the merits is respectfully requested.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
